

Leadership Success

The skills every leader needs to build an engaged and high-performing team.

Two-day, On-site Customized Program

SEE, Inc. transforms training into performance.

Soaring Eagle Enterprises is a widely-recognized leader in the development, assessment and coaching of successful supervisors, managers and executives in all types of organizations and industries. Our team has extensive experience working with talent management, management coaching, and succession planning and developing the talent needed to extend an organization into the future.

Our specialized approach will insure an extremely high return on your investment in the following areas:

- **Improved performance** at all levels of the organization.
- **Higher productivity** from subordinate team members.
- **Increased team member engagement** and satisfaction through leaders utilizing the learned skills.
- **Reduced turnover** among management and line level team members, reducing the cost of recruiting and associated risks.
- **Reduced team member complaints and grievances.**
- **Improved consistency of operations** through a steady stream of talented leaders.
- **Improved morale** among team members and leaders.
- **Improved internal and external guest satisfaction.**

This two-day program conducted by SEE at your site includes the following topics:

- **Leadership Transition and Understanding Leadership**
- **Communication Skills**
- **Team Engagement, Morale and Motivation**
- **Providing Feedback**
- **Self Awareness and Self Management**

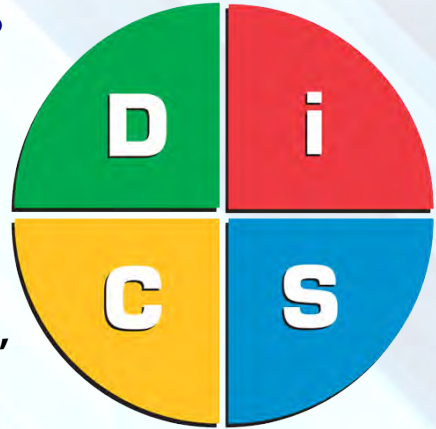

SEE, Inc. challenges and engages learners at a very high level and insures the skills are being mastered and embraced while **creating an enjoyable and satisfying learning environment.**

Each learning unit is supported by **robust materials for participants** that aid learners at the time of facilitation and **provides valuable reference material for future use.**

Each learning unit also contains at least one interactive activity or small group case study discussion.

Personalized Learning with the DiSC® Management Profile

Each leader has their own personality and leadership style. In addition to the seminar topic materials, SEE, Inc. uses the Everything DiSC® Management Profile to assist learners in **understanding their style and how it relates to leadership, communication, conflict, delegation and coaching.** [Sample Report](#)

The DiSC® profile is completed by each participant before the training. **Each participant receives their own report** and uses it during each step of the training. This powerful tool has a great impact by helping leaders better understand themselves and others and **connect more successfully with their team.**

After completion of the Everything DiSC® Management Profile, participants will have access to an exclusive follow-up program that provides greater self-awareness and on-going learning.

SEE, Inc. is an authorized partner for Everything DiSC®, A Wiley Brand. Everything DiSC® is a trademark of Wiley and used with permission.
